Come along to an exciting panel discussion on career pathways in the subsea industry! Hosted by the SUT's YES! Committee, a panel of three industry personnel (details below) will answer searching questions about the quest they have taken into the depths of the subsea industry. The interactive panel discussion will allow you to ask those questions you've always wanted answered. Great networking opportunities will follow to provide the contacts and information you need to map out your subsea career path.

Chaired by YES! Committee Members: **Matthew Blumberg, Senior Engineer, 2H Offshore Pty Ltd & Matthew Davis, Subsea Engineering Associates**
