We warmly welcome you to join the Society for Underwater Technology and the Society for Petroleum Engineers who come together this year for their first collaborative golf day.

Changing it up a little this year we'll head to Maylands Peninsula Golf Course where the fresh water lakes and gentle undulations will give the game some challenge, whilst giving our members stunningly picturesque city-scape views on the banks of the Swan River as they network with colleagues.

As ever, golfers will enjoy a great day of fun and networking on the course, along with catering, drinks, driving range practice, the opportunity at a putting competition, the chance to win tremendous prizes, not to mention the goodie bag and take home golfers polo-shirt.
