

# SUT & SPE come together for

# 2017 Golf Day

4 Ball Ambrose

Friday, 3 November 2017

Maylands Peninsula Golf Course

Perth, Western Australia

**Perth**  
**3 November 2017**

We warmly welcome you to join the Society for Underwater Technology and the Society for Petroleum Engineers who come together this year for their first collaborative golf day.

Changing it up a little this year we'll head to Maylands Peninsula Golf Course where the fresh water lakes and gentle undulations will give the game some challenge, whilst giving our members stunningly picturesque city-scape views on the banks of the Swan River as they network with colleagues.

As ever, golfers will enjoy a great day of fun and networking on the course, along with catering, drinks, driving range practice, the opportunity at a putting competition, the chance to win tremendous prizes, not to mention the goodie bag and take home golfers polo-shirt.

All of this couldn't come together without the generous support of our sponsors. Packages available as below however, we are open to alterations/ideas for sponsorship packages. Should you wish to discuss options or confirm a sponsorship package please [contact Jennifer \(j.maninin@sut.org or 9481 0999\)](mailto:j.maninin@sut.org). Please note, sponsorship is confirmed on a first come, first served basis so be quick to ensure you don't miss out on this great opportunity.
