

SUT Perth Branch Committee & Sub-Committee Nominations for 2022

You can nominate for any/all of these committees within the [one nomination form](#). Submission due by the 7th October 2021

SUT Perth Branch Committee

The Society for Underwater Technology is a not-for-profit learned society, founded in 1966 to promote the further understanding of the underwater environment. The Perth Branch was formed in 2005 as an association (falling under the Associations Incorporation Act 2015.) It focuses locally on this objective through 16 voluntary committee members who form SUT Perth's Committee of Management.

[Rules of Association](#) - for further details of the SUT Perth Branch Committee.

Eligibility: You must be a paid up Individual or Corporate named member to nominate. See Rules of association for full details.

SUT's Young Engineers & Scientists (YES!) Sub-Committee

Eligibility: You must be a SUT member (including students) to nominate for a 2 year term.

Purpose:

- i. To create awareness of the subsea/underwater industry amongst young engineers and scientists
- ii. To develop young engineers and scientists within the subsea/underwater industry by providing networking opportunities and building relationships
- iii. Introduce education groups to SUT (high school and/or universities),

Additional SUT Sub-Committees

Eligibility: You must be a SUT member (any rank) to nominate

You don't have to be a Committee member to be involved in a SUT sub-committee

With such an active branch, the sub-committees come together to nut out and action the details of particular initiatives and events before reporting back to the SUT Perth Branch Committee. These include but aren't limited to:

Advertising;	Courses;	Membership;
Annual Dinner;	Engagement;	Mentoring;
AOG;	ETM's and AGM;	Scholarship;
AUT Conference '22;	Golf Day	Subsea Controls Down Under Conference '22
	Immerse 2024	Subsea Engineering Accreditation

SUT's Offshore Site Investigation & Geotechnics (OSIGp) Perth Sub-Committee

Eligibility: You must be a SUT member (including students) to nominate for a 2 year term. Nominations not open again until Sept 2022(2 year term)

Purpose:

- i. To promote best practice for disciplines that fall within the OSIGp Group's remit within the offshore industry.
- ii. To be a recognised learned body providing advice on issues within the technical remit of the Group to other non-commercial organisations.
- iii. To organise and provide education and training courses, international conferences and workshops / seminars to the offshore industry to foster best practice and knowledge transfer and dissemination.
- iv. To liaise with and help develop the international OSIG community to create a global network where initiatives can be rolled out and information communicated
