

YES! (Young Engineers & Scientists) 2020 Sponsorship Packages

The SUT is dedicated to supporting young engineers and scientists as these are our future. We do this in several ways including (but not limited to) initiatives such as funding student scholarships, working towards a Subsea Engineering Registration, co-hosting a mentoring programme, engaging education groups, offering discounted/complimentary technical course/conference/social event registrations and forming the YES! (Young Engineers & Scientists) SUT Sub-committee.

With the support of the SUT Perth Branch, the purpose of YES! (Young Engineers & Scientists) initiatives and events is to:

- Create awareness of the subsea/underwater industry amongst young engineers and scientists
- Develop young engineers and scientists within the subsea/underwater industry
- Provide networking opportunities to build relationships amongst young engineers and scientists within the subsea/underwater industry.
- Introduce education groups to SUT (high school and/or universities), encouraging them to join the subsea/underwater industry

As a not for profit, multidisciplinary learned society, the SUT seeks sponsorship to continue these initiatives and support YES! events at a low cost for young engineers and scientists. If you'd like to support our young engineers & scientists in a formal capacity then sponsorship is a great option. Sponsorship options include:

YES! Initiates Annual Sponsors (\$4K)

General recognition of annual sponsorship:

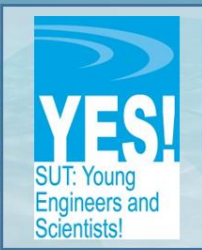

- On the SUT website (all year)
- By SUT Chairman in SUT Quarterly and Annual Reports
- At SUT's forever popular Annual Dinner (within slides and verbal acknowledgement)

Entitlements at **each YES! Event** (3-4 events per calendar year):

- Logo included on:
 - Event marketing flyer/s
 - Introductory slides at event (where applicable) and verbally in opening and closing speeches
 - Post-event report
- At the event:
 - 1 banners (near stage and/or registration) at each event – sponsor to lend SUT for the year so SUT can arrange at each event
 - Exhibition table within pre/post networking drinks at the event – to be arranged by sponsor
- Registrations:
 - Two complimentary tickets to each YES! event
 - Opportunity to reserve additional 5 tickets at each event prior to membership (ticket price as per the per person membership cost)
- Social media:
 - Recognition of annual sponsors via social media

2020 YES! Annual Sponsors Include:

YES! (Young Engineers & Scientists) 2020 Sponsorship Packages

(continued)

YES! have also volunteered at community events with:	
Curtin University	SciTech
Diversified	Toastmasters
Earth Science Western Australia	University of Western Australia
Western Australian Museum	Woodside Energy
Petroleum Club of Western Australia	

Past delegates from leading industry companies & universities		
A60N	Enerflex	Proserv
2H Offshore Engineering	Energy Agencies	Public Transport Authority WA
AZE Consulting	EnerMech	Quadrant Energy
Advanced Technology Valve	Engineers Australia	Quensh Specialists
Aker Solutions	Enscope	Ray Farrier Consulting
Allseas	Ernst & Young	Roc Oil WA
Alyka	Expro Group	ROSEN Australia
AMC Management	First Geo	Royal Australian Navy
APGA	Fugro	RPS MetOcean
Applus RTD	Gardline	S2V Consulting
APTS	GE Oil & Gas	Saipem
Artemis Resources	Genesis Oil and Gas	Santos
Arup	Golden Anchor Consulting	Schlumberger
Asset Management Council	Granherne	Schneider Electric
ATCO	Honeywell	Scope Resources
Atkins	ICON Engineering	Sea Tight Engineering
Atteris	IHC IQIP	Shell
Australian Worldwide Exploration	IHS Markit	Siem Offshore
Baker Hughes, a GE company	Innovation Consulting Australia	Sinclair Knight Merz
Benthic Geotechnical	INPEX	Society of Petroleum Engineers
BHP Billiton	INTECSEA	South32
Blue Ocean Monitoring	Jacobs	SUBCON
Bluezone Group	JGC Oceania	Subsea 7
BMT	K2 Technology	Subsea Engineering Associates
BOC Gas & Gear	Knight Frank	Swagelok Western Australia
BP	Lloyd's Register International	Swinburne University of Technology
Cameron	London Offshore	TDW
Carnegie Wave Energy	Matrix Composites & Engineering	Technical Resources
Central Tafe	McDermott Australia	TechnipFMC
Chevron Australia	Mitsubishi Electric	Total Marine Technology
Cisco Systems	Momentum Engineering	Tracerco
Civmec	Monadelphous	Trident Australia
Clough	Multitec	UNITECH
Complete Fire Design	Murdoch University	Universidad Industrial De Santander
ConocoPhillips	National Institute of Technology	University of Western Australia
Curtin University	Neptune	Use!
Daewoo Shipbuilding & Marine Engin	Nexxis/Abacco Group	UTEC Survey Australia
Deepwater Corrosion	Nihar Associates	Vermilion Energy
Deloitte	Oceanering	WA:ERA
Dept. of Mines & Petroleum	OdaTech	Westralian Engineering Services
DNV GL Australia Pty Ltd.	ONA Marine	Women In Subsea Engineering
DOF Subsea	OneSubsea	Wood.
Downing Teal	Peritus International	Woodside Energy Ltd
