SAFETY SHOES AND GLASSES MUST BE WORN FOR WORKSHOPS VISITS

These are not provided by SUT. The host companies will have a limited supply of PPE* – please bring your own. *PPE will be required on Tuesday and Wednesday

Course Material

All course Material will be provided electronically on a tablet, which the delegate keeps. This will include the course programme, list of attending delegates and feedback form. Please do take a few minutes at the end of each day to give us your honest feedback. A certificate of attendance will be provided on Day 5.

If you require a paper copy of the presentations instead of an electronic copy tablet, please inform Events at events@sut.org.

Breaks / Refreshments

Regular breaks will be held throughout each day, refreshments and lunch will be provided.

Course Dinner

An informal dinner will be held in a local restaurant on the first night of the course. This is not compulsory, but attendance is encouraged to get to know your fellow delegates and some of our presenters.

Transport During course

Transport will be arranged by the SUT for site visits only.

Mobiles / Electronic Devices

Whilst we understand some calls or emails must be answered, please be courteous to other delegates by ensuring your device is on silent and leave the room to make or receive a call.
Complimentary Wi-Fi is available within the course venue.
