Westwood Global Energy present their annual outlook for the coming years in the offshore and subsea business. The firm will draw upon its extensive insight and data in the E&P and OFS sectors to outline macroeconomic drivers of activity, highlight leading indicators of offshore expenditure and review key upcoming projects and regions. The outlook for the growth in expenditure in specific subsea sectors will be presented alongside key risk factors and uncertainties evident in the market.

Speakers:

**Steve Robertson**, Head of Rigs & Wells

**Matt Adams**, Senior Analyst, Rigs & Wells

**Mark Adeosun**, Senior Analyst, Offshore

**Please note the change of venue: The Hoop & Toy, 34 Thurloe Place, London, SW7 2HQ**

**Nearest tube: South Kensington**
