

April 2019 Members' Guide

Hi, I'm Steve Hall, SUT CEO.
Welcome to our quarterly [interactive](#)
Members' Guide. We wanted to keep
all the SUT information you need only
a click away, and in turn reduce the
environmental impact printing and
posting a Yearbook to you all would have.

[Click here to read my latest CEO update...](#)

The Guide is fully interactive; click the items below and overleaf to visit the relevant pages on our website www.sut.org.

Key information
